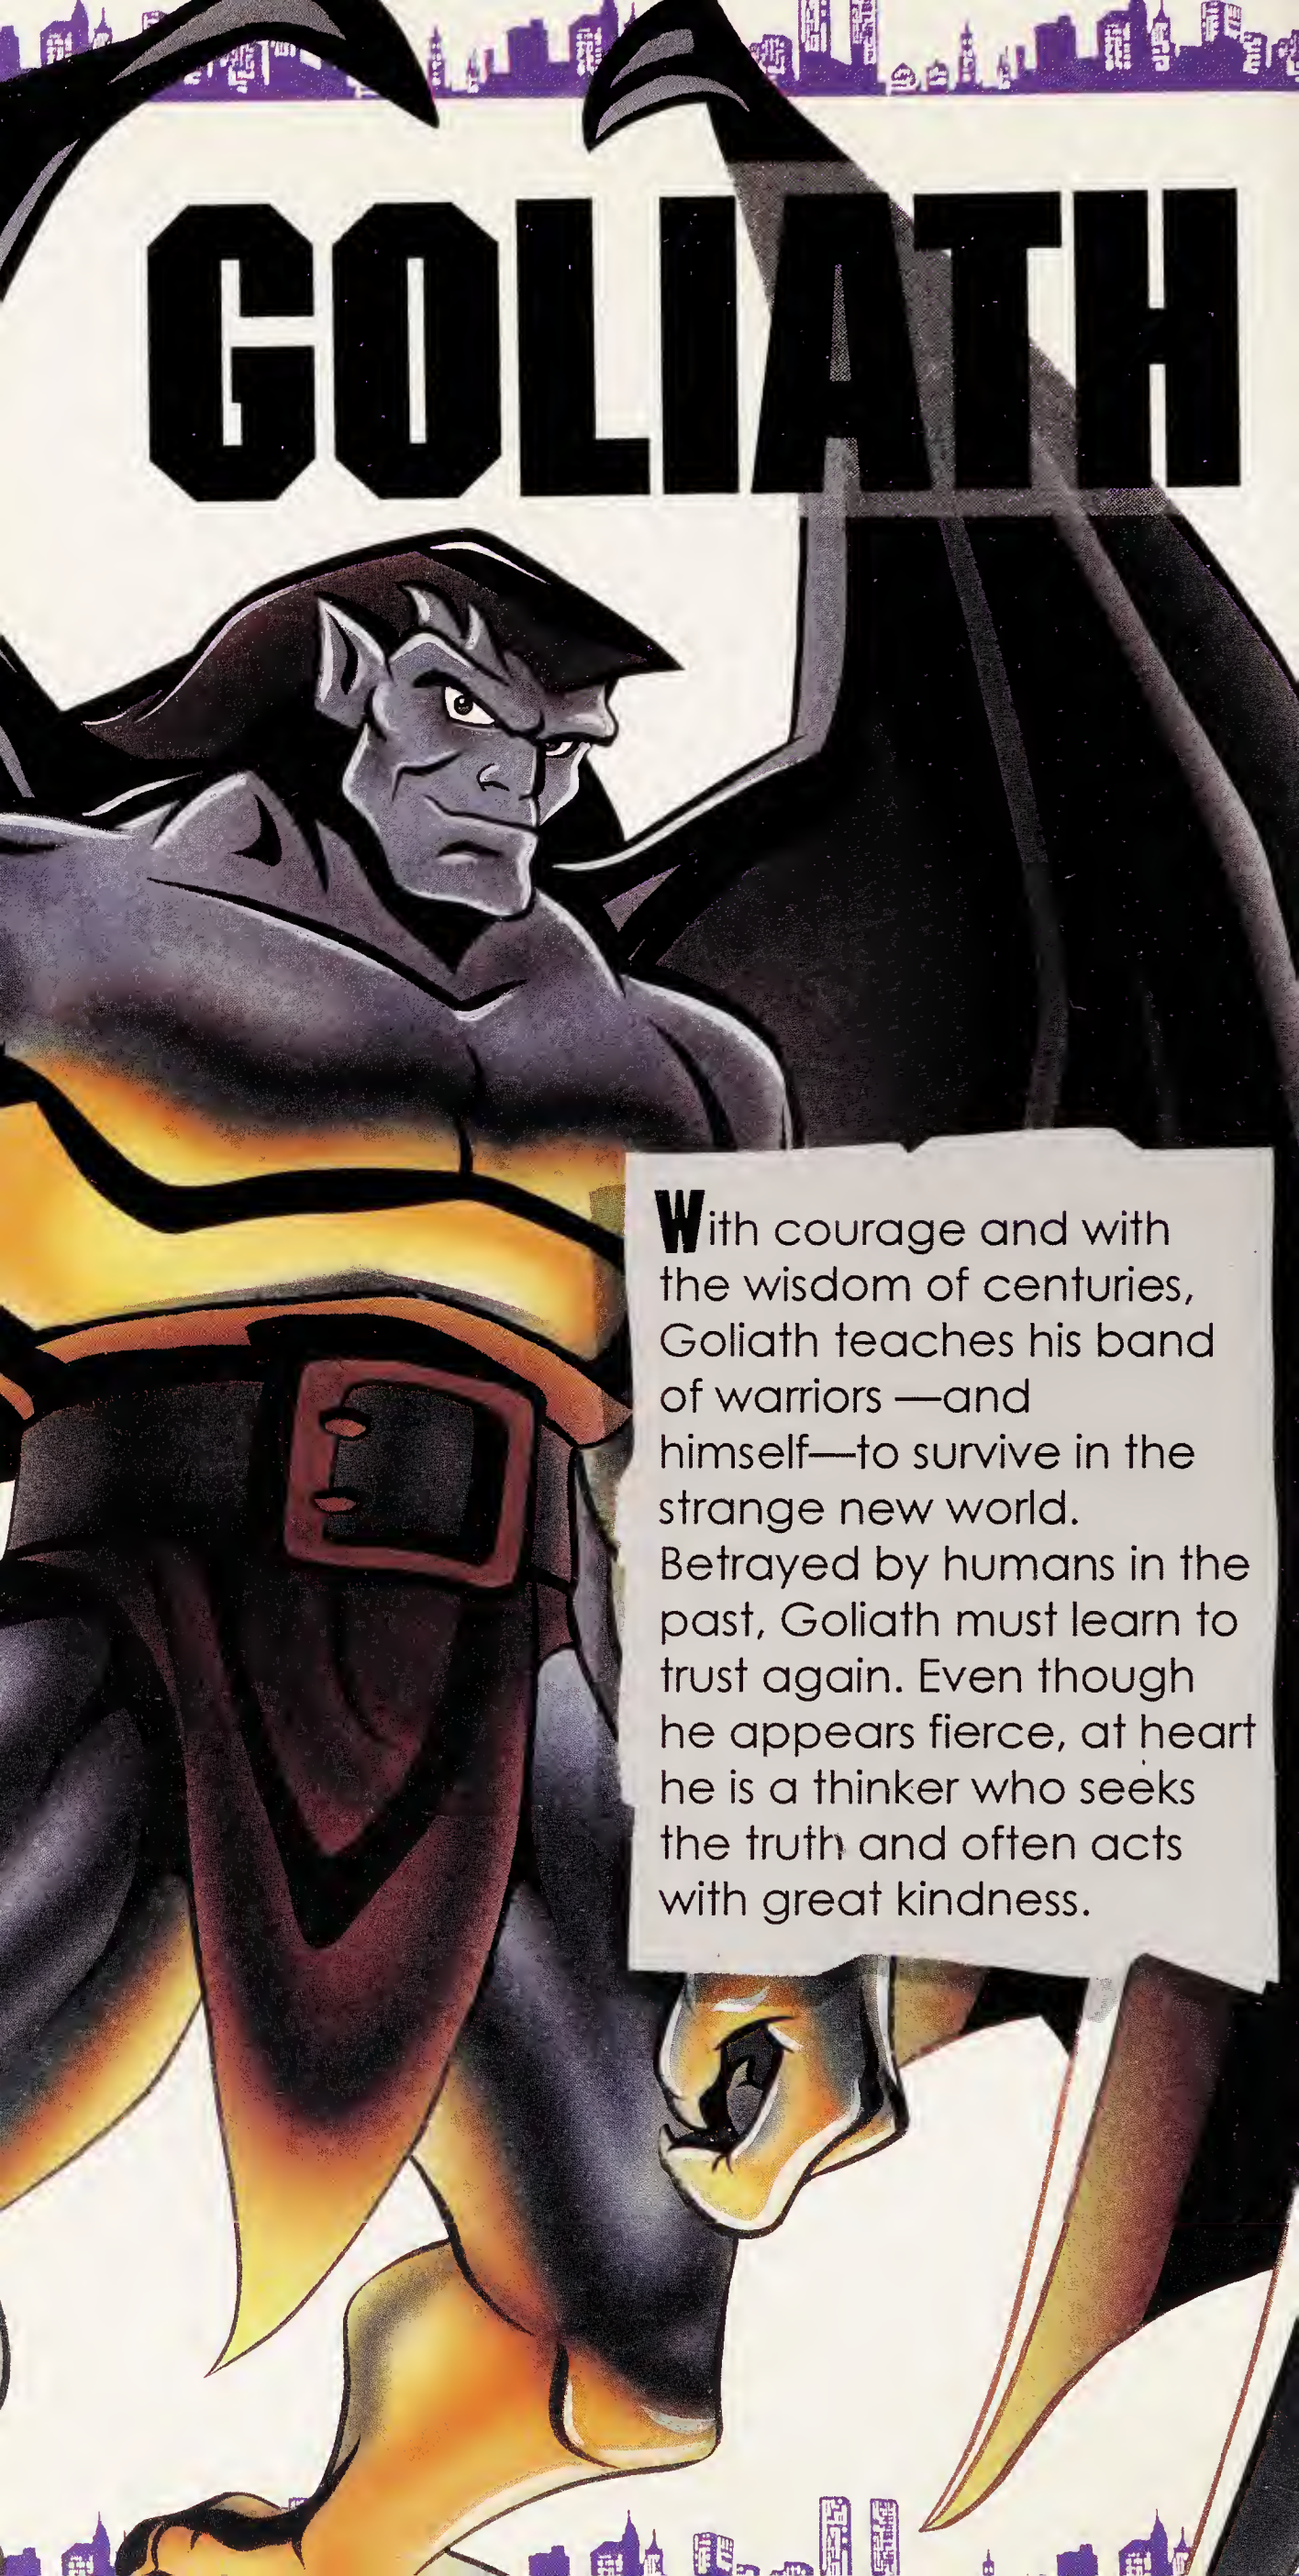
GARGOYLES

Long, long ago the Gargoyles defended a castle in Scotland against all foes. Betrayed by the humans they protected, the Gargoyles were put under a magic spell that turned them to stone for a thousand years. When David Xanatos, criminal mastermind, brought their castle to New York City, the spell was broken and the Gargoyles once again became defenders of the night.

GOLIATH



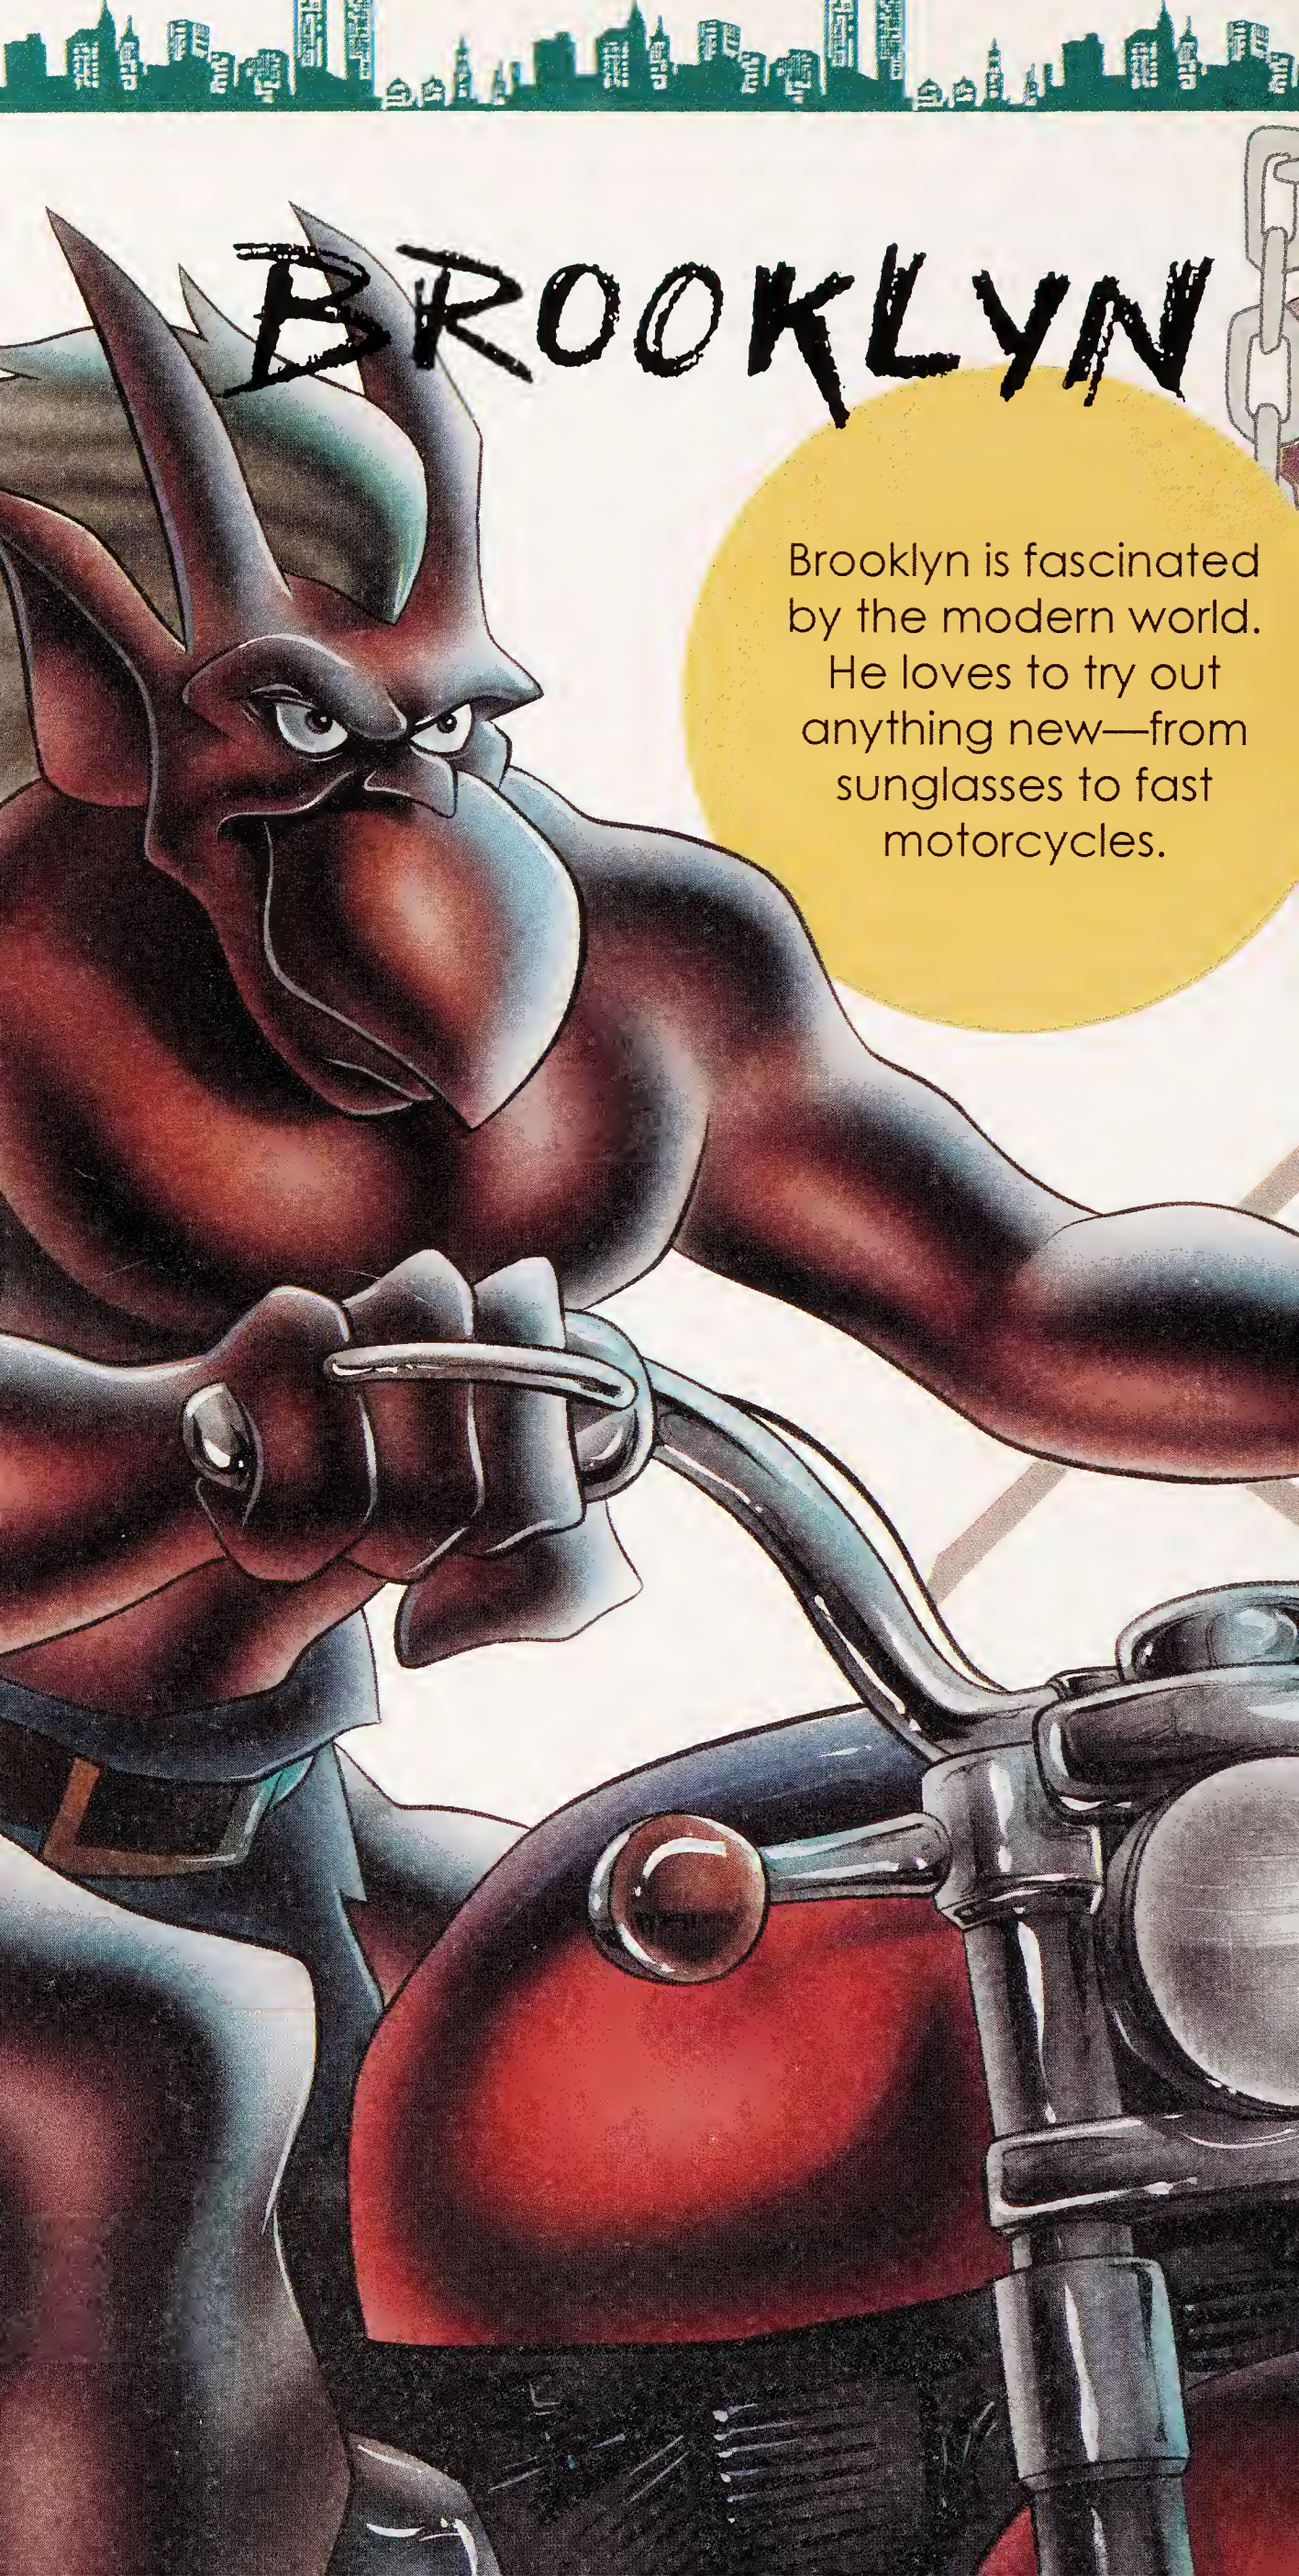
With courage and with the wisdom of centuries, Goliath teaches his band of warriors —and himself—to survive in the strange new world. Betrayed by humans in the past, Goliath must learn to trust again. Even though he appears fierce, at heart he is a thinker who seeks the truth and often acts with great kindness.

Goliath stands 7 feet tall. As flesh he weighs 300 lbs., but as stone he weighs an entire ton!

Goliath, the mightiest Gargoyle, has a huge wingspan of 18 feet.

Once again, Goliath bursts from his stone slumber ready for battle. Only the night can set him free.

"Humans fear what they do not understand. Their ways are not our ways," says thoughtful Goliath.



BROOKLYN
Brooklyn is fascinated by the modern world. He loves to try out anything new—from sunglasses to fast motorcycles.

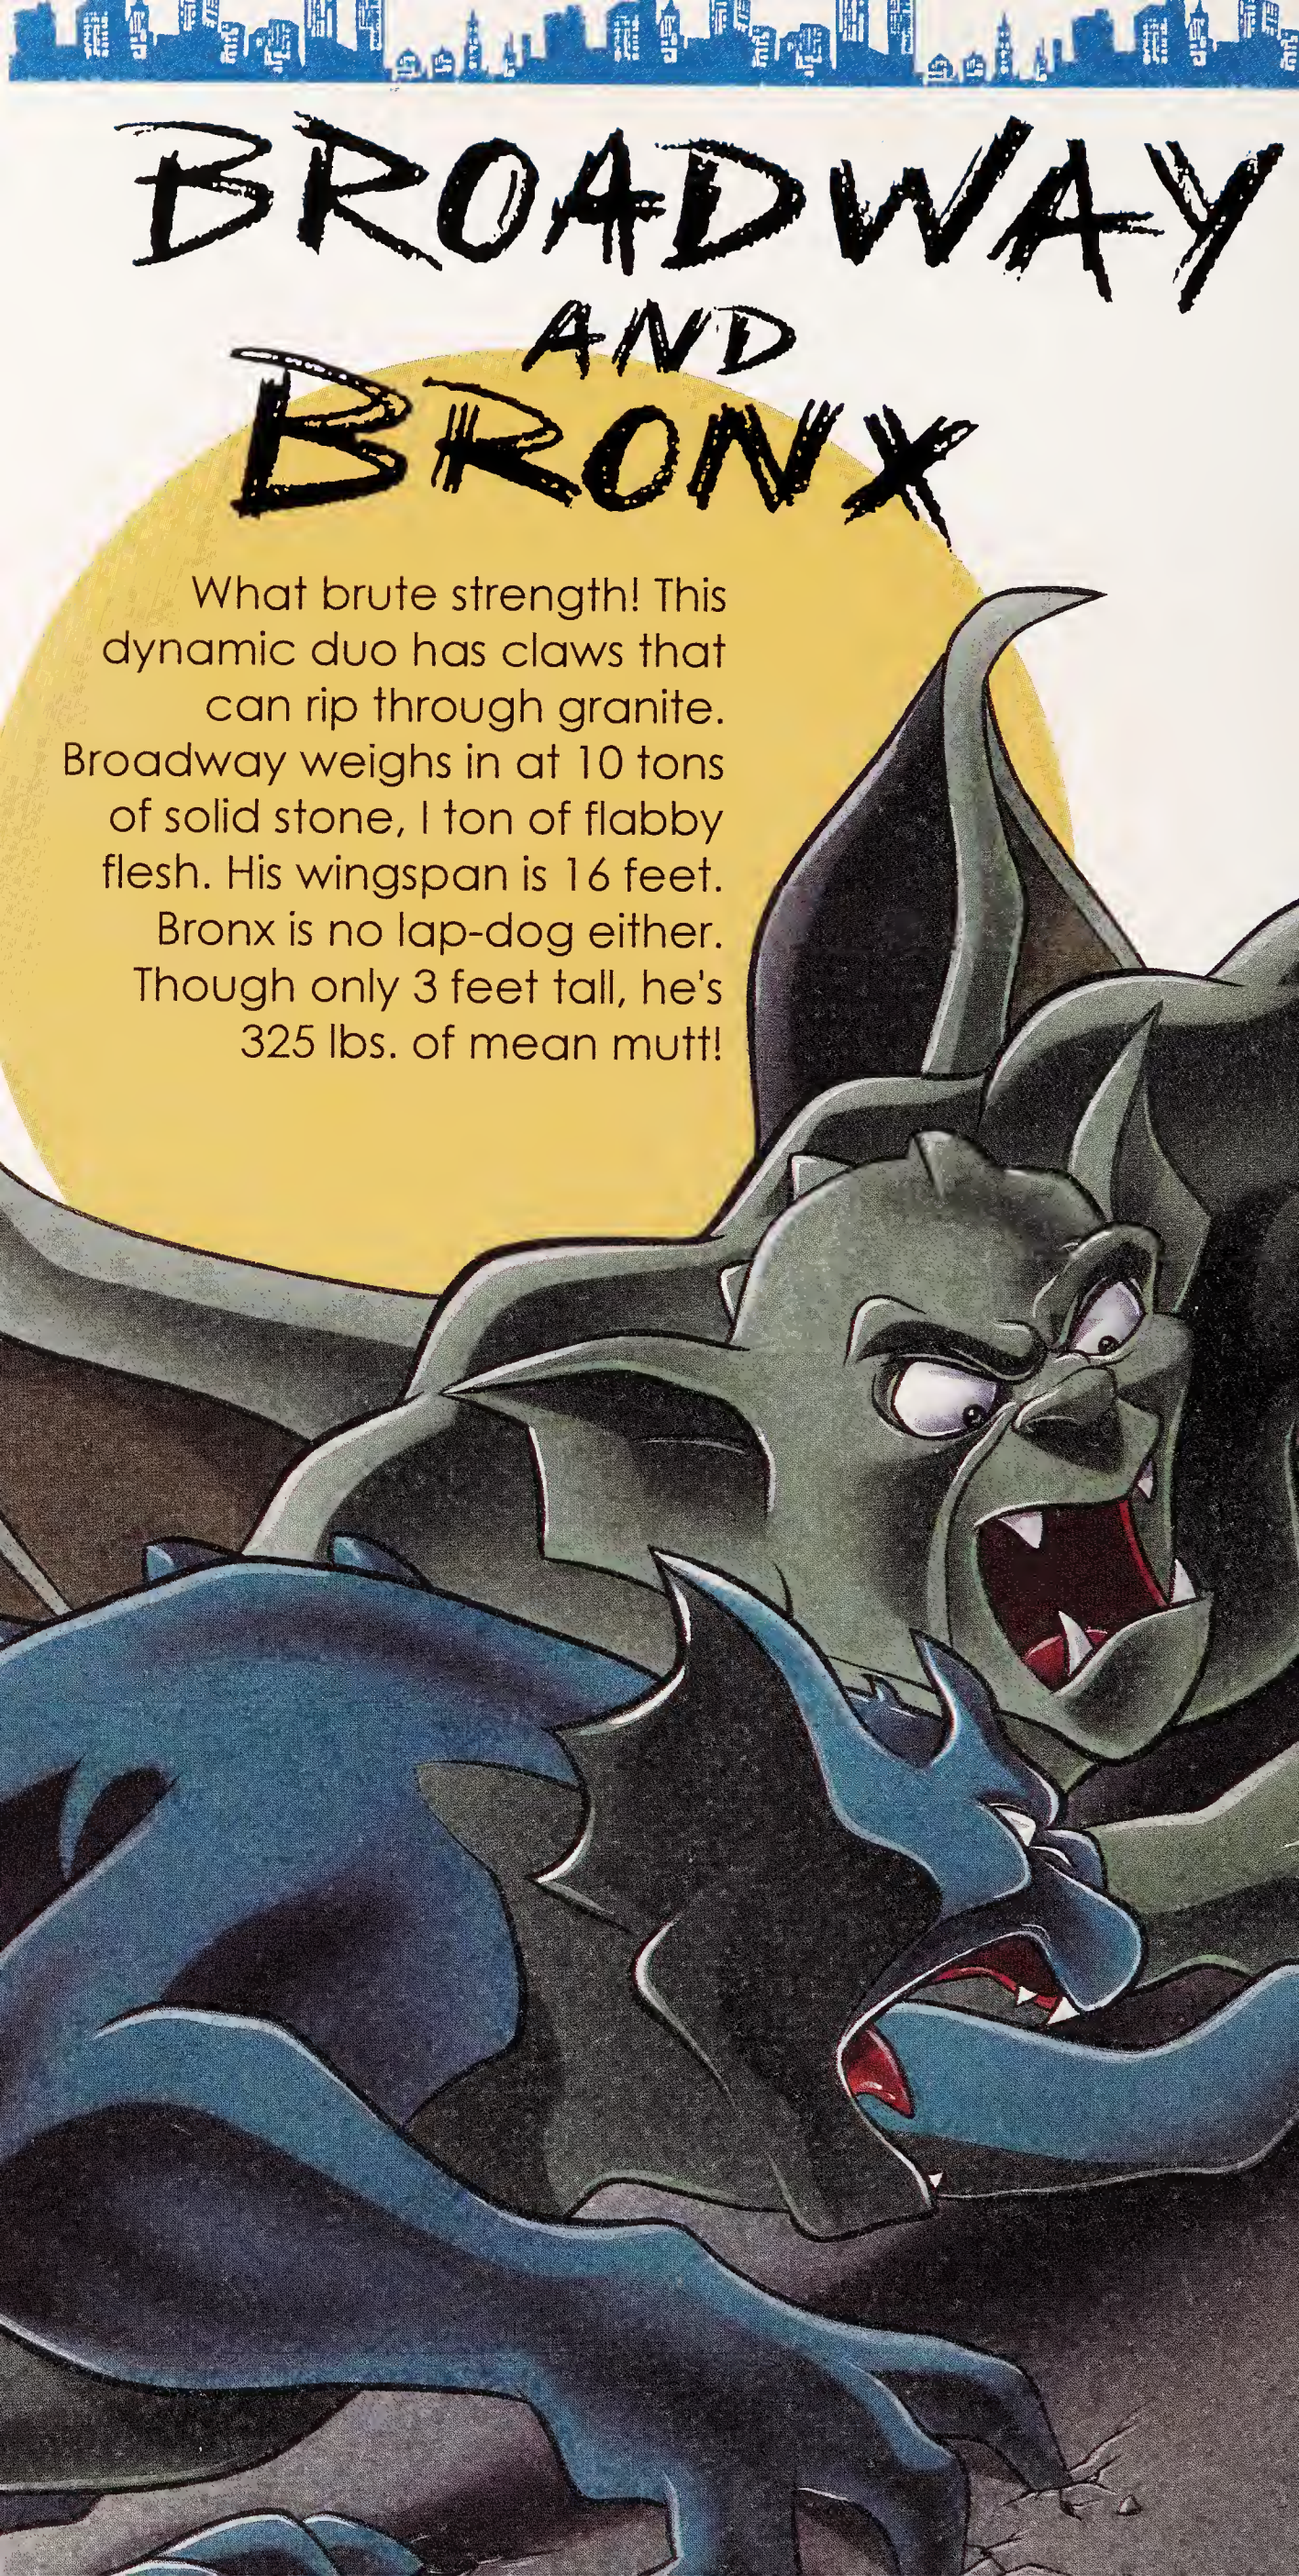
His wings span 12 fearless feet. He is 6 feet tall. As flesh he weighs 210 lbs., but as stone he weighs half a ton!
He looks kindly upon humans, but when he's angry his Gargoyle eyes have an eery glow!
His dream is to be a great warrior, but he has a long way to go!

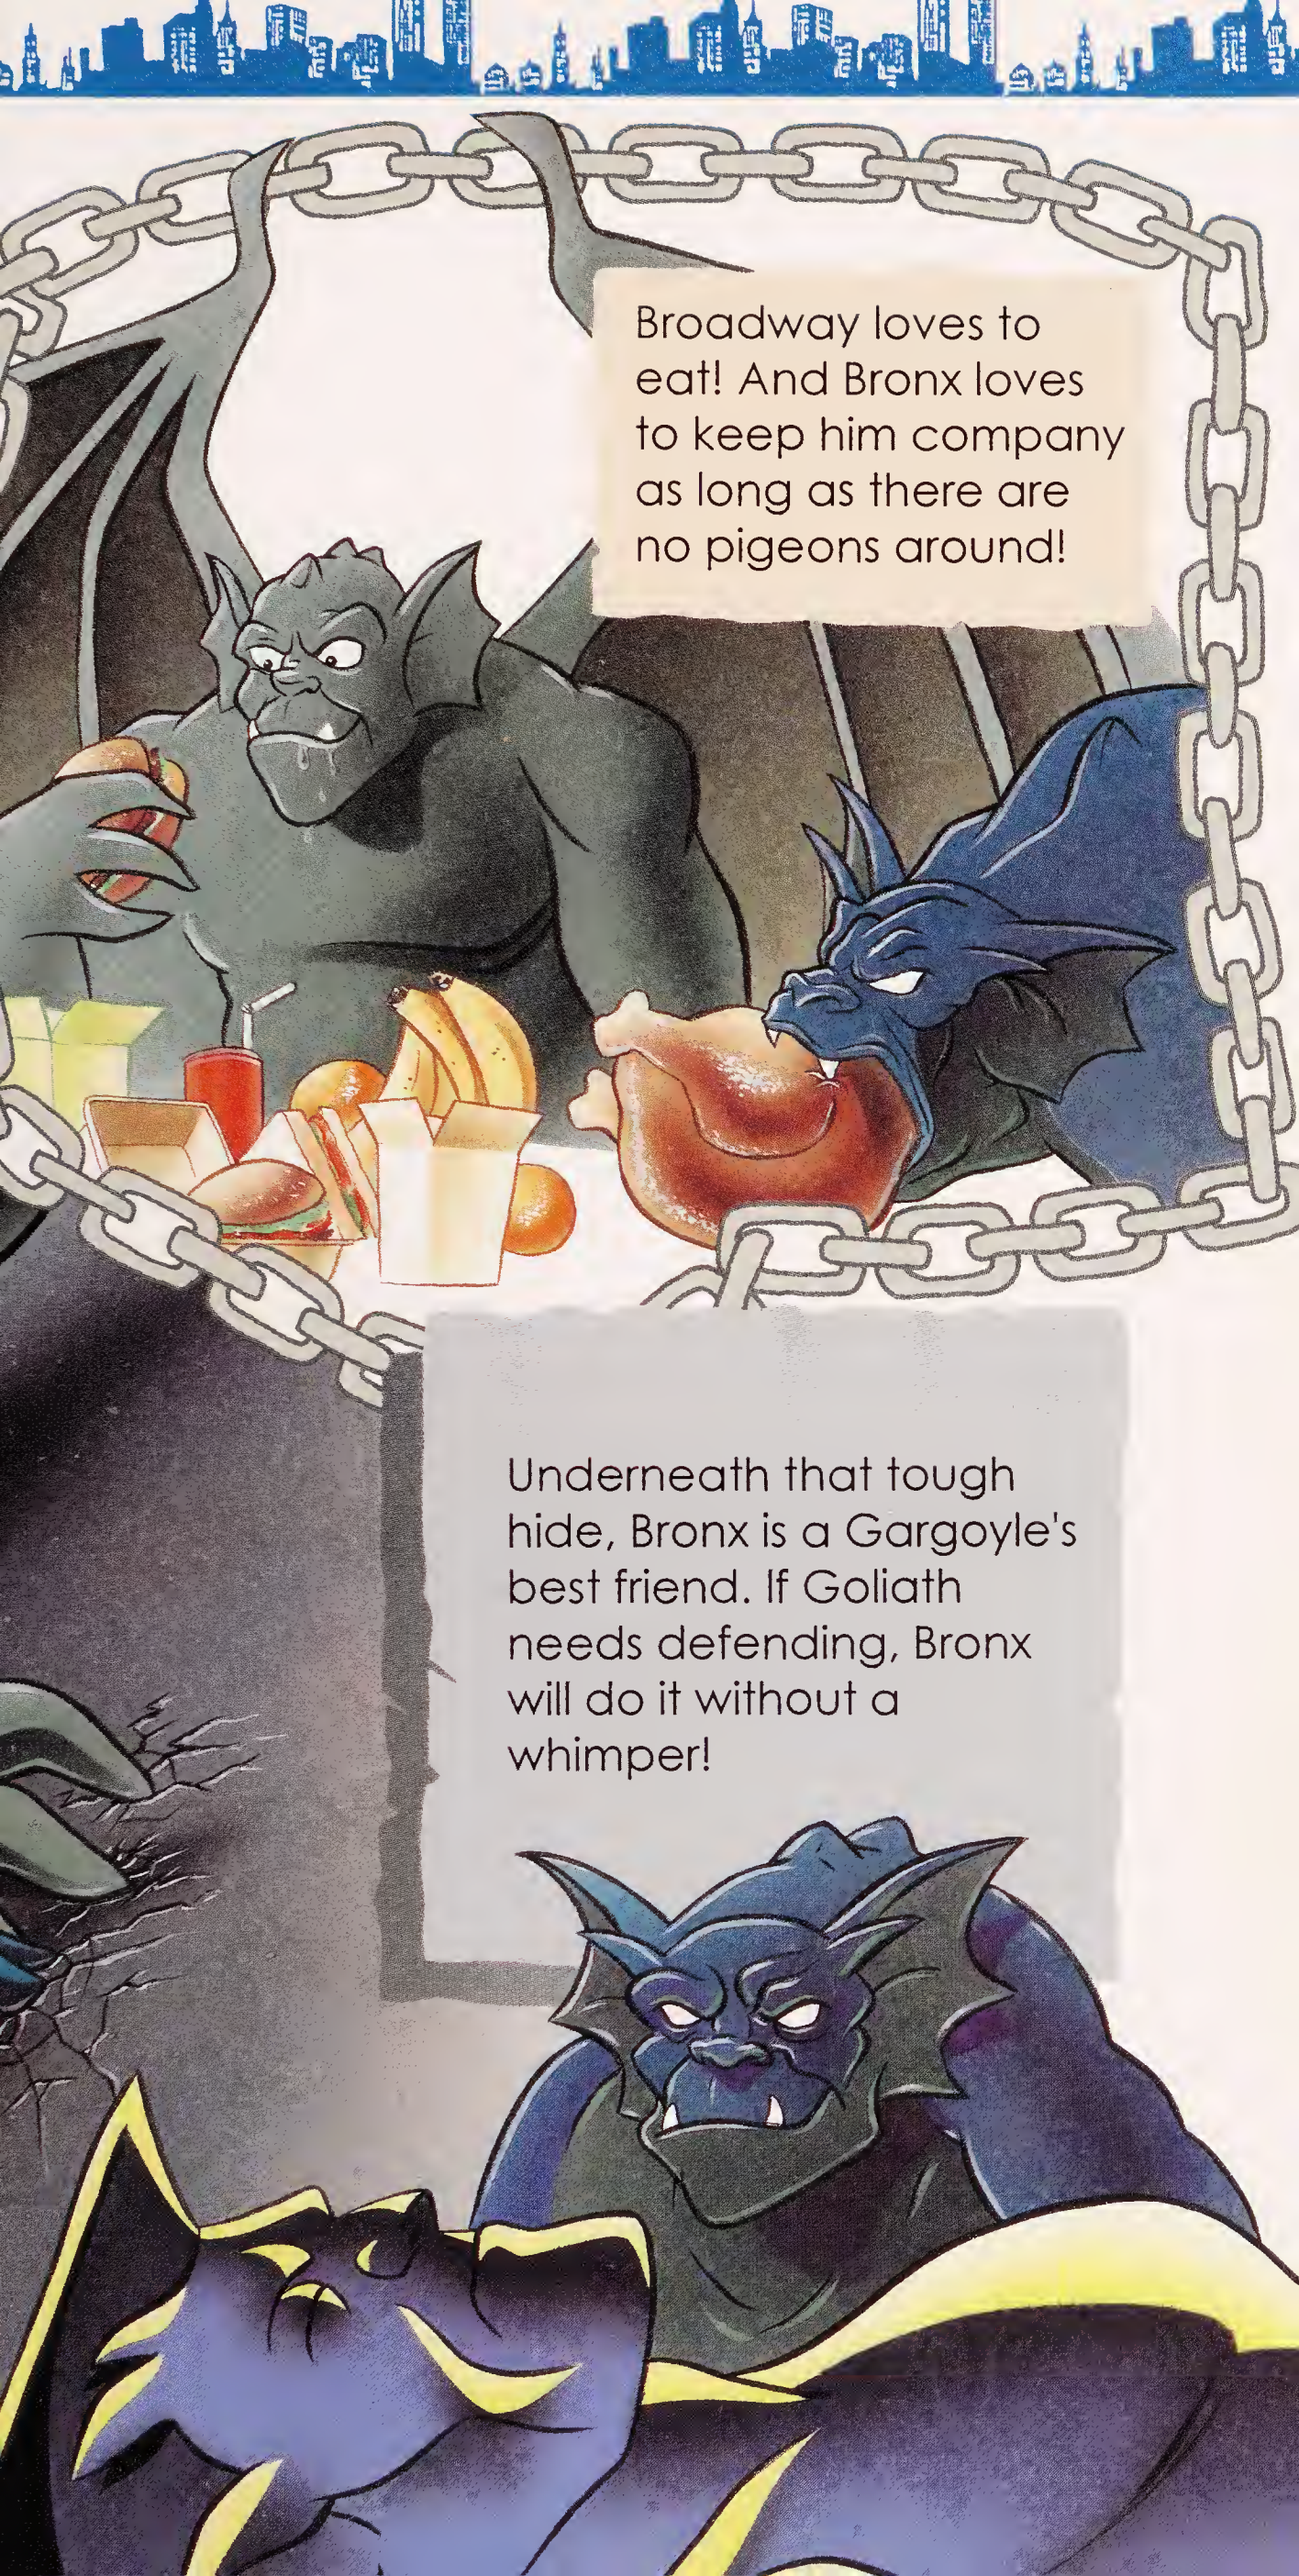
HUDSON
In human years, Hudson is in his fifties and past his warrior prime. No newfangled weapons for this Gargoyle—he clings to his trusty sword!

Hudson is a couch potato who likes two modern day things—an old easy chair and a TV set.
Once leader of the Gargoyles, Hudson is now Goliath's most trusted advisor and friend.
He stands 6 feet tall and weighs 1,000 lbs. as flesh and a ton and a half as stone!

BROADWAY AND BRONX

What brute strength! This dynamic duo has claws that can rip through granite. Broadway weighs in at 10 tons of solid stone, 1 ton of flabby flesh. His wingspan is 16 feet. Bronx is no lap-dog either. Though only 3 feet tall, he's 325 lbs. of mean mutt!

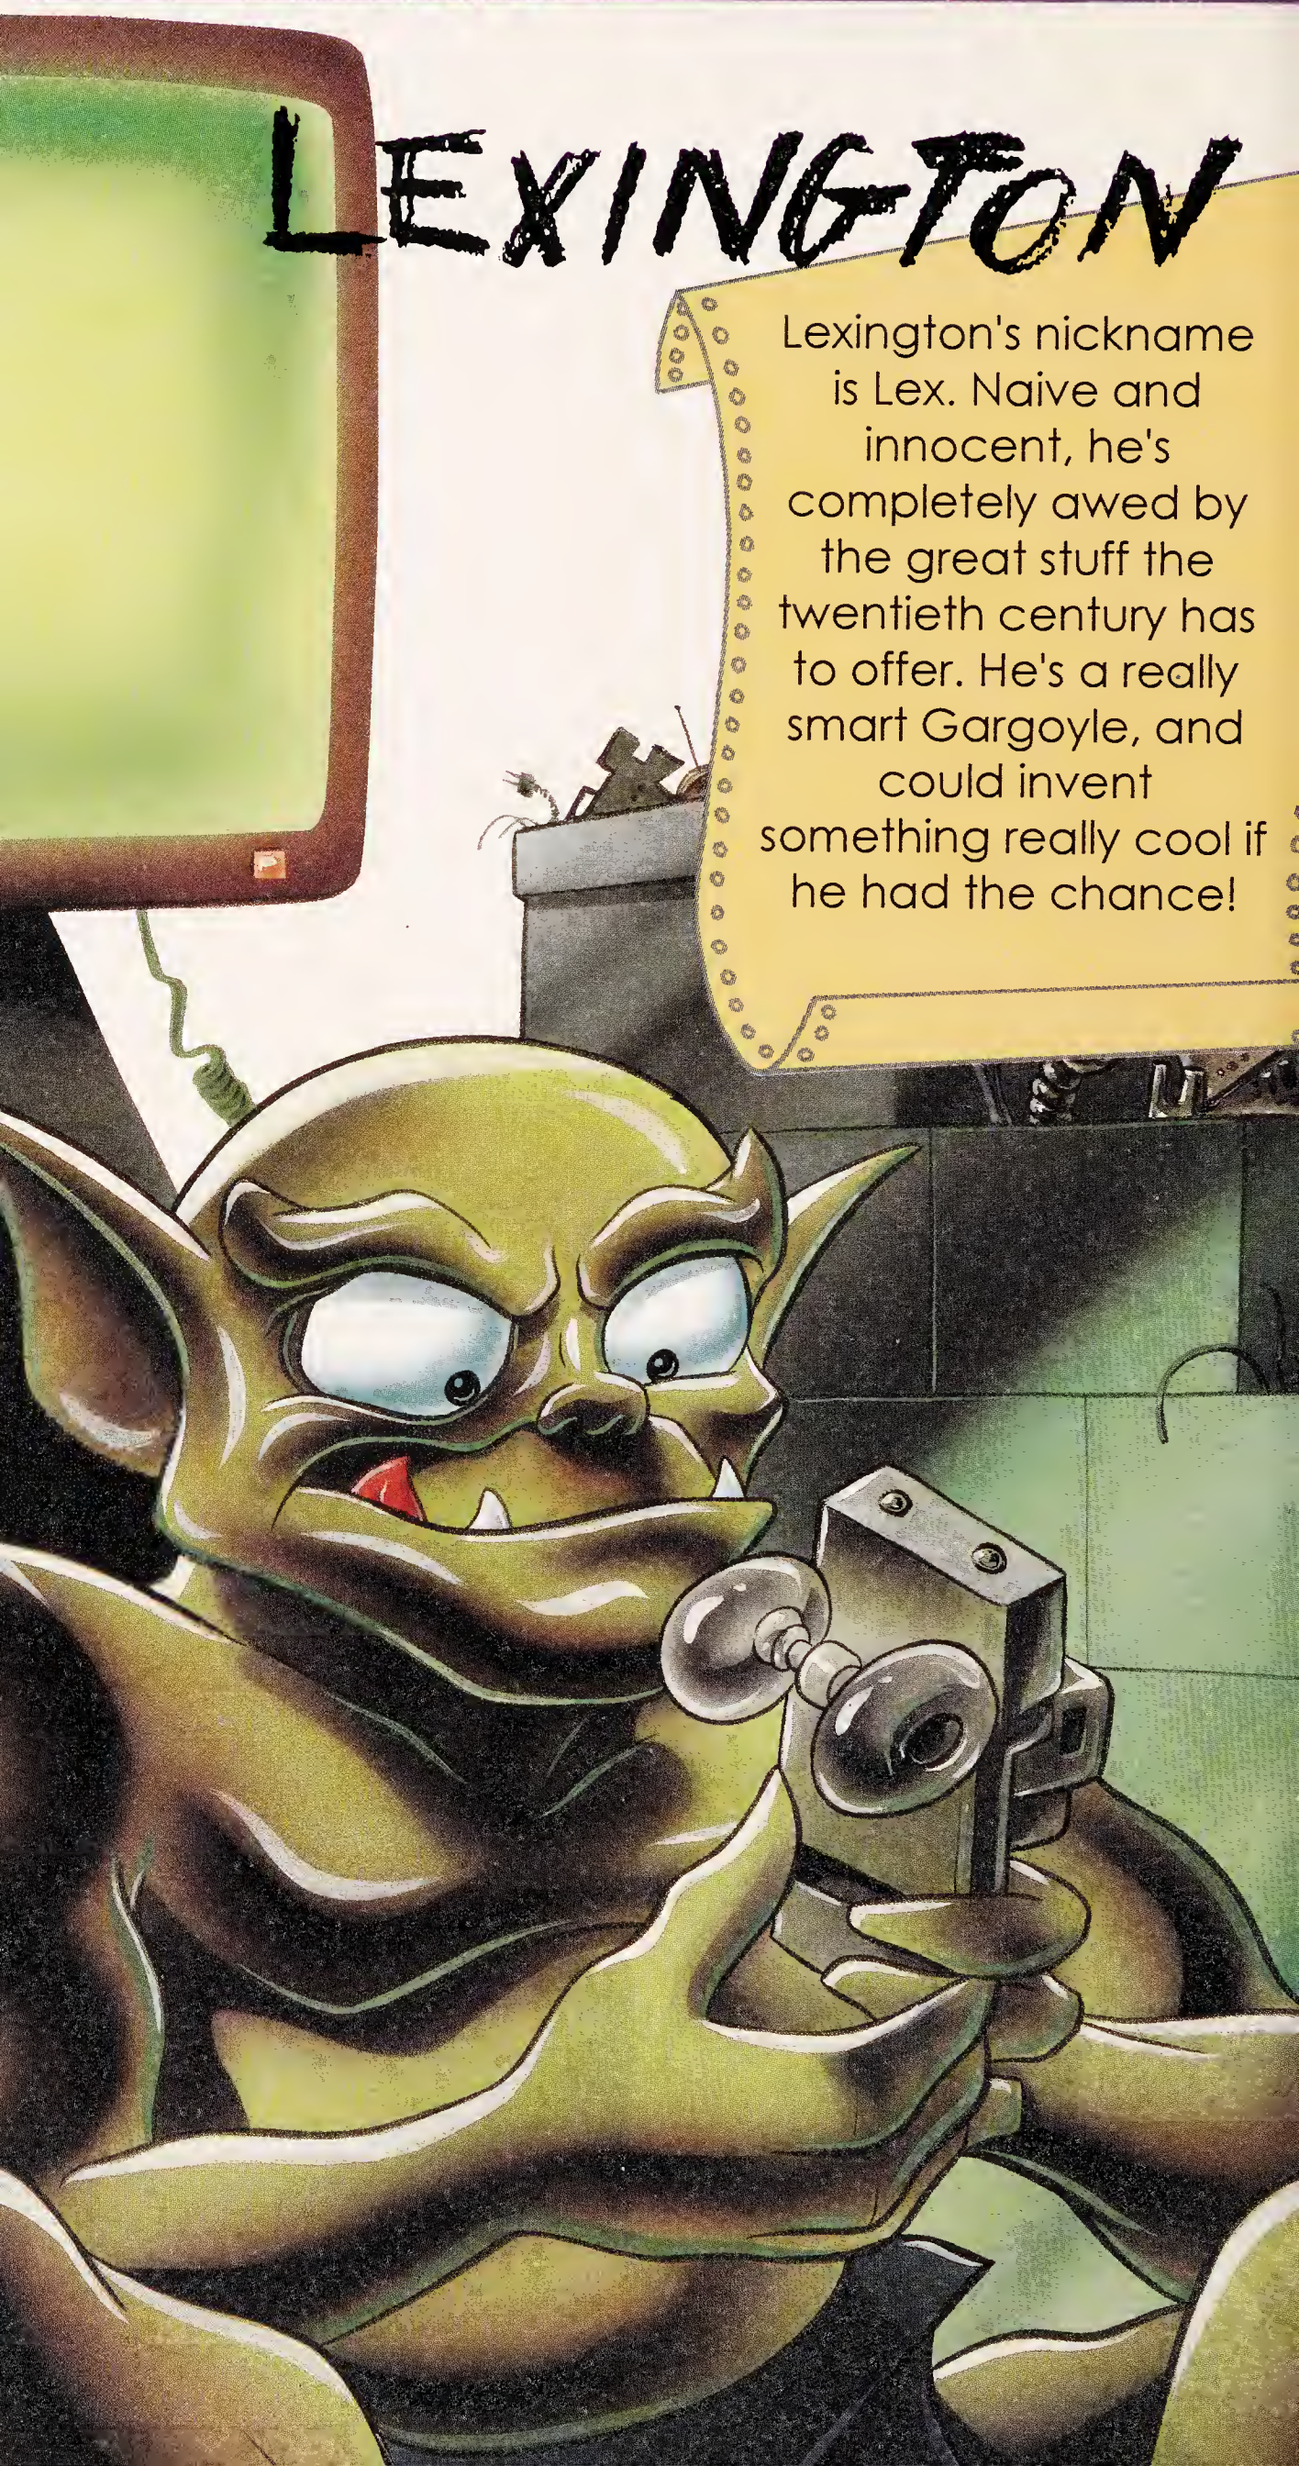




Broadway loves to eat! And Bronx loves to keep him company as long as there are no pigeons around!
Underneath that tough hide, Bronx is a Gargoyle's best friend. If Goliath needs defending, Bronx will do it without a whimper!

LEXINGTON

Lexington's nickname is Lex. Naive and innocent, he's completely awed by the great stuff the twentieth century has to offer. He's a really smart Gargoyle, and could invent something really cool if he had the chance!



He's 5½ feet tall and weighs 180 lbs. flesh, a quarter ton stone. His wings span a neat 7 feet. He's a quick-moving fighter and an acrobat in the air!

Lexington loves modern inventions—computers, video games, and TV! He can take anything apart but loses interest when it's time to put it back together.

If Lexington has one big fault it's that he's just too open and trusting with people. This can often get the little fella in big trouble. Luckily his fellow winged warriors are usually there to help!

DEMONA

Fierce Demona was once in love with Goliath. But now, they are sworn enemies! She uses the ancient book of magic, the Grimorum Arcanorum, to put spells on Goliath. She lives for vengeance and wants to see all humans destroyed!

Demona once thought she could change Goliath's mind and turn him against humans!

A fierce and deadly warrior, she will even work with humans like Xanatos to get what she wants.

Demona's wings span 14 feet, making gliding a breeze at night. She heals while she sleeps so any wounds from the night before magically disappear!

XANATOS
As humans go, he's a remarkable specimen. Over six feet tall. Built like a football player. Strong as a heavyweight wrestler. Trained in the martial arts. He is smart, ruthless and power-hungry.

Xanatos is a criminal mastermind. He loves buying everything and everyone!
He has endless resources to draw on, including heavy-duty henchmen who can challenge even the Gargoyles!

ELISA MAZA

She's a tough, quick-thinking detective for the N.Y.P.D. She's 25 years old and drives a red Ford Fairlane. Her father and brother are police, too.

Elisa gets along with Goliath because she sees him as an individual and not a "monster." Goliath trusts her.

Elisa is athletic. She's also part Sioux and part African American. She's smart, but sometimes takes reckless chances. And she never runs from danger.
